Fund specific changes

Realränta

2021-03-22

The fund integrates sustainability risks into the investment-decision process but does not promote environmental or social characteristics or have sustainable investments as its objective.

Humanfond

2022-03-17

Change of investment strategy, where the fund went from an actively managed equity fund to an actively managed equity fund with quantitative approach. The fund mainly invests in global companies that contribute to achieving the 17 UN Sustainable Development Goals, which means that the EU-categorization changes to article 9.
